Memorandum of Understanding

between
**University Science & Computer Technology
(STEKOM)**
and
Petro Mohyla Black Sea National University (PMBSNU)

Background:

This Memorandum of Understanding (MoU) recognises that collaborative efforts by STEKOM University, Indonesia and Petro Mohyla Black Sea National University, Ukraine (hereinafter referred to as the "Parties") will be of mutual benefit and will contribute towards an institutional linkage for education cooperation and assistance.

I. General

1. Parties of Agreement

This Memorandum of Understanding is being established between STEKOM University and Bugema University, Uganda. The two institutions shall be referred to collectively as the "Participating Institutions" or briefly as the "Parties" in this Memorandum of Understanding.

2. Purpose of Agreement

Endeavoring to increase their cooperation in research and education, the parties of agreement, after approval by their responsible authorities, agree to conclude this Memorandum on academic cooperation. The purpose of this Memorandum is to facilitate and to enhance the academic cooperation between the parties of Agreement.

3. Modes of Collaboration

The Participating Institutions shall endeavor to promote collaboration through a range of strategies, which in the initial stages of this cooperation shall include :

1. Students Exchange and Cultural Exchange
2. Academic Study and Research Opportunities
3. Delegation Visit and Academic Staff Exchange
4. Executive Education and Professional Development Programmes
5. Student Mobility Programme : Study Tour, Study Abroad
6. Other areas of mutual interest in educational projects

Before executing these collaborations, the involved parties will discuss the plans and challenges that occurred and will thereafter enter into specific agreements.

II. Terms of The Agreement

1. Focal Areas

The parties agree to develop collaborative programs in areas of mutual interest. Recognizing the importance of practical first steps based on a definition of shared institutional priorities for research and program development, the Participating Institutions agree to implement collaborative research through faculty and technical specialist exchange in areas with particular strengths at both institutions, as defined by the specific research profile of the individual university.

2. Activities Under Agreements

All activities undertaken must conform to the policies and procedures in place at each institution. Each distinct collaboration program or activity will be described in a separate Activity Agreement and authorized by each party. The ongoing agreements or activities shall not be affected by one of the party's termination.

3. Funding of Activities

The activity agreement financial costs and obligations should be transparent. Both institutions may provide the funding or in other options should work together to identify and obtain any outside funding which may be needed. Projects requiring funding must be approved by both parties.

4. Period of Agreement

This Memorandum is concluded for an initial duration of five years (5) from the date of signing. After this initial period this Memorandum shall be re-examined and the program adjusted, as deemed necessary, based on mutually agreed-to assessment of the program by the appropriate authorities at STEKOM University and PMBSNU. After an initial 5-years periode, the Memorandum shall be reviewed and renegotiated for another five-year period, unless terminated by one of the parties to the agreement in writing within the period mentioned in the following paragraph.

III. Legal Provision

This MoU shall not serve as a legally binding agreement. This Understanding is not to be construed as a partnership or any form of master-agent relationship. It is merely to express the intent between the party's hero. This MoU is effective when the representatives of the parties have affected their signatures and seal of the MoU.
