Dear Sir/Madam,

Letter of Recognition

Prof Maksim Zak

This letter certifies that Professor Maksim Zak of Petro Mohyla Black Sea National University, Mykolaiv, Ukraine, visited Swansea University from April 25, 2025, until June 7, 2025.

During the visit, Prof Zak undertook an internship entitled "Innovations in medical education and research". He visited our laboratories and classrooms and gave guest lectures. He also worked towards co-designing a joint Masters in Global Challenges in the Medical Sciences. He also met with Swansea colleagues for discussions about teaching and research collaboration. He established foundations on which we will build a long-term research partnerships between Swansea and PMBSNU.

The costs of accommodation, travel and subsistence was supported in part (£3000.00 scholarship) by Swansea University within the framework of funding we obtained centrally, as well as through our twinning partnership with PMBSNU.

We thank Professor Zak for visiting and collaborating with us while he was here in the UK. It was an honour to host him.

Please contact me if any further information is required: Professor Lisa Wallace, Associate Dean International, Faculty of Medicine, Health, and Life Science of Swansea University
