INFORMATION

Dear colleagues!

We invite you to take part in the scientific and practical seminar with international participation "Scientific and informational support of professional training of specialists in conditions of uncertainty".

The seminar will be held on April 25, 2024 in a mixed format. Working languages: Ukrainian, English. A link to participate will be sent to participants on the eve of the event.

Thematic directions:

1. Tendencies of digitalization of society.
2. Information support for the training of specialists in the conditions of formal, informal and informal education.
3. Informational support for complex rehabilitation of vulnerable population groups.
4. Informational and methodical provision of specialist training for the modern labor market (in conditions of uncertainty).
5. International experience of implementing health-creating information technologies for the development of a barrier-free sphere in Ukraine.

According to the results of the seminar, an electronic and printed collection of materials will be issued with the assignment of UDC, ISBN, and digital object identifier (DOI). The organizational fee is UAH 150 (the price includes a printed certificate, a collection of materials, and an e-program). In case of rejection of the printed set of materials, the organizational fee is UAH 75.

To participate, it is necessary to send an application and theses of the speech by e-mail (nataterentyeva@gmail.com) with the subject "Scientific and practical seminar" by April 7, 2024. After the materials are accepted, details for paying the organizational fee will be communicated.

Sample application for participation in a scientific and practical seminar
