EVADEM Project Input

AIM

Teaching a training course for students of the Faculty of Political Science, in order to train pro-European specialists in public management and administration. At the same time, the module includes academic research of the European Union, promotion of European values in the political- administrative community and in Ukrainian society in general

IMPACT

- Development of a Course Syllabus on European values for students of various specialties.
- Didactical materials in the thematic trends.
- Using online course to support full-time and part-time education for students

TARGET GROUP

PMBSNU students, scientists and experts, members of interested institutions, representatives of state and local governments, experts from Ukraine and EU member states, members of the non-governmental public sector, media representatives. The total number of project participants is about 250 people

DURATION LANGUAGE

- 3 academic years 36 months
- The Project's use of languages: Ukrainian and English

Funded by
the European Union
